** **Modified Schedule:** May include longer or shorter blocks of sections in the timetable with a dual focus on instruction and assessment. Some teachers may not be available due to supervision needs for diploma exams. Beginning and end times of the day do not change. **Attendance will be taken throughout the day for students taking advantage of these additional learning opportunities. Please ask students to check with their teachers for specific opportunities available.***

*** **Credit Completion:** Additional learning opportunities where evidence of learning is needed to show mastery or completion of a learning outcome will be communicated and provided to students by teachers from January 14th to 24th. This includes tutorial support, focused teaching and learning interventions, targeted reassessments, diploma exam & other assessment preparation and will be available to all students in credit completion centres.*
